Good News Report

Elementary Basketball – Elementary basketball online registration went very well, we have 19 teams from 2nd-5th grade.

Reading/Math Camps – offered free to our students and is a great help with students who need extra practice.

Seminar – students are using technology to create name badges, t-shirts and other branded items. The 3D printer will be very useful for seminar.

Public Comment

None

School Improvement Plan

Seminar – First seven weeks are coming to a close, students are giving presentations, using the 3D printer and applying skills to “real world” situations.

Tutoring Program Proposal – Developing a program that will ensure our students have the tutoring resource available that are needed but also making sure we are offering the program under the state guidelines.

- Rae Wise creates an account BES Tutoring
- Teachers submit a tutoring proposal

- Use of Facilities submitted
- Tutoring agreement submitted
- Payments will be made to school, the school will pay the teacher
- The amount for tutoring will be a set amount (there can be exceptions with approval such as camps)

Student Achievement Report/Data

KPREP – council reviewed results.

CSIP – Mr. Ashley will submit in December, administration is visiting other schools to see what best practices can be applied at Beechwood. Each grade level will have the opportunity to do the same.

New PLC structure

Possibly fund ½ time person to assist Trish Neace with G&T (she covers all grade levels elementary and high school)

Budget

Each member received a copy of the **YTD Elementary Budget** and the one page summary report.

Additional 15k came from Foundation

PD grant number will go down from the state
