Minutes Approved (1st Steinberg, 2nd Grubish)

Good News Report

Staff/Student of the Month – recognition given to one student and one teacher each month who are exemplifying one of the traits of the Beechwood Way. November is “Pursuing Excellence”, the student of the month is Dara Jackson, and the teacher is Kerri Toebe.

Parent University – lots of good take a ways and very interactive with parents, very good turn out.

National Board Work – good stuff happening

Writing which is one of our school goals, at the last staff meeting teachers were analyzing student work and doing a great job.

3D Printer – training is happening today

Seminar – 6th graders is headed to NKU to present their work from the first semester of Seminar (Brandon Honnerlaw, Alyssa Warman, Clair Coppage)

Public Comment

None

School Improvement Plan

CSIP – the format has changed from previous years and will be updated by Mr. Ashley

Student Achievement Report/Data

STAR and KPREP – teachers will share results at conferences

Budget

Stipends - \$1200 for Volleyball, Cross Country and Basketball Coordinators

Education Foundation – 11k received for instruments, 5k for 3D printer

School Visits - funding was also given for teachers to visit other schools and have time to meet and discuss as a team what they can take away from those visits.

Flip Classroom – through Web Academy this program is designed to enhance the focus on writing as writing is one of our core goals. This serves as professional development. \$3500 covers program, classroom subs will be additional.

New Business

Committees:

- Budget (Fait) – will send survey to staff
- Culture (Grubish)
- Professional Development (McGuire)
- Assessment (Tomelin) – input from Ben, Tonya, Zach

Tutoring Program – Rae will open a tutoring account in the finance office

- \$35 per hour(will be taxed)
- Checks made to Beechwood or cash deposited in the Elementary Box and turned in to the Board Office
- Forms to be completed
 - Facilities Use Form
 - Forms to be developed and used for the following information:
 - Program description
 - Target audience
 - Length the program will take place
 - Matching student need with the appropriate teacher (this will be determined by an administrator)
