School Improvement Plan

Seminar – Ben Lusk and Monica Wainscott are valuable resources for teachers when planning the seminar curriculum.

Idea Lab – the ribbon cutting for the idea lab will be on Monday, September 9.10.18 during the Board of Education Meeting.

Road Map to Excellence – this guide book lays out the District, High school and Elementary 3 year plan.

Student Achievement Report/Data

KPREP Update – preliminary data looks very positive, next month we should have more information about possible changes for this year.

Budget

Activity Budget will be available next month, the activity budget does not make money it is intended for money to go in and back out. We are working toward a rotating schedule for purchasing elementary uniforms.

ByLaw or Policy Review/Readings/Adoption New Business

School Policies – 1st read for “Consultation” AND A&H Grading Policy

Next month “Extra Curriculars”

Grading Scale – unanimously approved change in grading scale, making all grades 4th-12th the same.

90-100	A
80-90	B
70-80	C
60-70	D
60 or below	F

KASC – discussed the roles and responsibilities of SBDM committees.

Schoolwide Fundraiser – We will be kicking off the school wide fundraiser on September 12th. This fundraiser will last one week. The STEM program received a grant last year for 10k for the Project Lead The Way Program, the total cost for implementation is close to 30k, to help with

the difference we are participating in a cookie dough fundraiser. Ms Knight will be using these resources to increase opportunities for our students. Hoping to raise 6, 7 -10K. Incentives for selling for the students were discussed.
