

**Intro to BioMed
Summer Assignment 2024-2025**

Welcome to the Biomed EDGE Minor! This year, we will explore the field of medical science. The objective of the summer assignment is to get you thinking like a medical professional. I look forward to meeting you in August, and if you have any questions between now and then, don't hesitate to contact me at kaylee.flynn@beechwood.kyschools.us

Please choose one of the following books to read. Some of these books are available for free via the Libby app, Hoopla app, local library or can be purchased on amazon.

Don't Kill the Birthday Girl: Tales from an Allergic Life by Sandra Beasley

Chasing My Cure by David Fajgenbaum

The Book of Blood: From Legends and Leeches to Vampires and Veins by HP Newquist

Making Rounds with Oscar by David Dosa

Wonder by R. J. Palacio

After reading one of the above books, describe what your net take-away is. This response should be a minimum of 2 pages in length (Times New Roman, font size 12, single spaced) and include in text references from the book that support your thought processes in regards to the insights you have gained about an aspect of healthcare.

This assignment is due on Friday, August 16, 2024 and will be the first grade in the gradebook.
