PARKING AND TRAFFIC

Beechwood Schools Traffic and Parking Procedures

Due to construction, the arrival and traffic information is subject to change throughout the school year, but will be communicated with families through Infinite Campus.

Arrival:

7:20 a.m. – 8:00 a.m.

All drop-offs are to occur in the right-hand lane along the sidewalks. This year, drop-offs will occur in the elementary loop. Please allow your child(ren) to get out of the car anywhere in the drop-off zone.

- The open lane is for cars that will not drop or pick up, OR for cars that have already dropped or picked up. Please keep this lane open.
- No one is to park in the drop off/pick up lane in order to walk a student into the building (Please use the designated visitor parking areas).
- Visitors not parked in the designated areas may be towed.
- REMEMBER TO USE and RESPECT CROSSWALKS AT ALL TIMES.

High School Dismissal:

3:00 p.m.

All pick-ups are to occur in the right-hand lane along the sidewalks of the elementary side. Please keep the left-hand lane open at all times.

- Once you have picked up your child you may access the left-hand lane and proceed to exit.

Staff and Visitor Parking:

- Visitor parking is clearly marked on the ground with a “V.”
- NO PARKING ZONES are clearly indicated on the ground - please comply with this request.
- Numbered spots are for staff only. Please be courteous to our hardworking staff and refrain from parking in a numbered spot – even if it is empty (7:00 a.m. – 3:45 p.m.)

******EVERY child’s safety is our main priority with establishing a clear plan for arrival, dismissal, and parking. Please be compliant, patient, aware, and safe when driving on campus.**

STUDENT TRANSPORTATION

Beechwood Schools does not provide bus transportation to and from school.

PARKING SPACES

Due to construction on campus this year, students will not be permitted to park on campus unless an exception is made for a student by administration. There will not be a “senior lot” nor will students be able to park in visitor or staff parking spots. Parking will be available at Kroger for the entire year and at Beechwood Swim Club after Labor Day. If students are able to walk or be dropped off at school, that is preferable. Any updates or changes to parking will be communicated to parents/guardians and students through Infinite Campus. Thank you, in advance, for your patience and understanding during construction.

STUDENT DRIVING ON SCHOOL PROPERTY

Students operating a vehicle on school property (i.e. for extracurriculars) should understand that driving on campus is a privilege that may be revoked by the school authorities in the event a student violates any of the guidelines pertaining to the driving regulations.

Beechwood Schools assumes no responsibility or liability for injuries to persons or for damage to or loss of contents from any vehicle while on school property.

Any students driving on campus must abide by the following rules:

1. Students must abide to a 15 mph max speed limit.
2. Students may not park in faculty parking spaces prior to 3:45 p.m.
3. Students may not park in visitor's parking spaces prior to 3:45 p.m.
4. Students are not to drive on the grass.
5. Students are not to pass other vehicles.
6. School buses have the right-of-way at all times.
7. Students are not allowed to go to their cars or move them during the school day without permission from the office.
8. Violation of these rules may result in suspension of driving privileges for a period of time to be determined by the principals.
9. Students are not to loiter in their cars.

ENROLLMENT OF A STUDENT

ENROLLMENT FOR THE FIRST TIME IN A KENTUCKY SCHOOL

KRS 158.032 requires a parent or guardian who enrolls a child for the first time in a Kentucky school to provide the following documentation within 30 days of enrollment:

- (a) A certified copy of the student(s) birth certificate that lists the student(s) parents' names.
- (b) Other reliable proof of the student(s) identity and an affidavit of the inability to produce a copy of the birth certificate.

ENROLLING A STUDENT AT BEECHWOOD HIGH SCHOOL

Beechwood utilizes an online enrollment process. The enrollment process can be accessed through the Beechwood Schools website. The school office can be contacted for assistance. The principals or counselors will assist with scheduling information. Residency issues will be turned over to the DPP and Superintendent.

SOCIAL SECURITY NUMBER

All high schools are responsible for providing social security numbers of students to the Kentucky Department of Education at the end of each school year for those who qualify for the Kentucky Educational Excellence Scholarship (KEES). Students who do not have a social security number on file with the office by 9th grade will be contacted so that they have access to this opportunity.

IMMUNIZATIONS

Kentucky state law requires any person enrolling a student for the first time in a Kentucky school to provide:

1. A current Kentucky Immunization Certificate
2. A complete physical examination

District Health Coordinator, Stacie Wethington, is responsible for immunizations.

TUITION STUDENTS

Parents may wish to apply for tuition status if the parents do not reside in the Beechwood School District.

- Complete an application - obtain application from the Board Office.
- Submit the completed application and \$25 non-refundable fee to the Board Office.
- The completed application will be sent to the Board Secretary, and parents will be notified of the date on which the student has been scheduled to take the tuition test.
- The student will take an admissions test at a day and time established by the school.
- The potential student will follow testing instructions outlined by the testing coordinator.

- Once the test is administered and scored, it will be reviewed by the Tuition Committee and the Tuition Committee will notify the Superintendent as to whether or not the student will be accepted.
- The Tuition Committee reviews holistically (admissions test, transcripts, discipline reports, attendance records, etc.) before rendering a decision.
- All tuition students will automatically return unless the student's discipline, attendance, financial, or academic records warrant otherwise.

RESIDENCE

Student residence is determined by where the STUDENT and PARENT/LEGAL GUARDIAN reside together. If parents are divorced or separated, a court order is required to specify residence. The DPP will handle all inquiries.

HEALTH ISSUES – District Health Coordinator (Stacie Wethington – Ext 6705)

MEDICATIONS

The following are recommendations based from the Kentucky Department of Education. Please keep in mind that school is not the best place to administer medication; doses may be forgotten during a busy school day. If your child's medication dosage can be altered to avoid school hours, please do so. If medication is required during the school day, the following procedures will be implemented:

1. All medication, prescription or non-prescription, must be given to the secretary or nurse/health assistant upon the student's arrival at school.
2. The Administration of Medication form for over the counter medications OR prescription medications must be complete prior to administering any medication. The Administration of Medication form is available from the school office or online.
 - *Prescription medication:* the form must be filled out and signed by the physician AND the parent.
 - *Non-prescription medications (over the counter):* the form must be completed and signed by the parent.
 - If your child needs to carry an emergency medication such as an inhaler or epi-pen, an Administration of Medication form must be completed and signed by the parent and physician.
3. All medication must be in the original container. Prescription medications should be sent to school in a pharmacy labeled container that includes the student's name, date, medication, dosage, strength, and directions for use including frequency, duration, mode of administration, prescriber's name and pharmacy name and phone number. If the label is altered in any way, it will not be accepted.
4. Prescription medication will be administered no more than three consecutive days without a physician's order. The medication must be in the original container with a signed note from the parent/guardian stating the name of the medication, the dosage to be given, the time your child should receive it and the length of time your child will be receiving the medication.
5. Telephone permission to administer medications will not be accepted. It is the parent's responsibility to supply any prescription or non-prescription medication not stocked in the health office that they want their child to receive and to complete the necessary forms for medication administration.
6. Medications containing narcotics or sedation for pain relief will not be administered at school. For their own safety, children requiring this type of medication should remain at home until this medication is no longer required during school hours.
8. Students may be permitted to carry and/or self-administer medication that has been prescribed or ordered by a healthcare practitioner to stay on or with the student due to a pressing medical need. This may include, but not be limited to emergency medications such as an epi-pen, diabetes medications or inhaler.
9. Medication must be sent in the form that it is to be given.
10. If the medication dosage is discontinued at school prior to the stop date on the Administration of Medication Form, a doctor's note is required. If the dosage is changed, a new Administration of Medication Form will be required.
11. No medication will be sent home with a student under age 18 without prior arrangements between the school nurse and parent. The parent/guardian must pick the medication up from school if prior arrangements are not made.

If the above procedures are not followed, **we will not administer medications to your child**. We appreciate your cooperation in this matter. We hope you understand that this is for the safety of all students.

HEALTH SERVICES

The Beechwood Schools provide health services by a school nurse and/or assistant. The nurse and/or assistant handles referrals from teachers for students who are ill or injured. Students should have a note from a teacher to go to the health office except in case of emergency. The school nurse also works in cooperation with school personnel and other professionals concerning students who have learning difficulties, psychological problems and attendance problems. Students becoming ill during the school day must report to the nurse. If it is necessary to go home or to a doctor, the nurse will inform the parent/guardian and the student will be released from

school. Any student needing to take medication during the school day must have the proper forms completed and medication will be administered by the school nurse/designee. Medication forms are available at the school office or online. These forms must be filled out completely so that medication may be safely given during school hours. Incomplete forms will not be accepted. The school nurse also coordinates vision and hearing screenings in certain grades as required by state or board policy.

The school nurse monitors contagious conditions and ensures compliance with 902 KAR 2:020 requiring health professionals to report diseases to the local health departments serving the jurisdiction in which the student resides or to the Kentucky Department for Public Health in Frankfort. Common conditions generally requiring exclusion from school include, but are not limited to the following:

- Temperature of 100.4 degrees Fahrenheit or greater
- Vomiting and/or diarrhea
- Purulent drainage from eyes
- Purulent drainage from ears, nose, or mouth
- Uncontrollable coughing
- Scabies
- Undiagnosed symptoms that could possibly be contagious

Beechwood Schools follows NKY Health Department guidelines for disease and exclusion. Before returning to school due to illnesses like those listed above, the student may be required to present a return to school note from a healthcare provider.

USE OF ELEVATOR

Elevator can only be used if approved by the school nurse or an administrator.

AMBULANCE

It is high school procedure to call for an ambulance in the event a student experiences symptom/s beyond the control of school personnel. Once the school calls for an ambulance, the school does not have the authority to HOLD the ambulance until a parent/guardian is available to arrive or to tell medical personnel to leave without the student. A parent must arrive to school and SIGN a release statement with the ambulance personnel if the parent/guardian does not want the ambulance to transport the student to a hospital. For your own safety, please adhere to all street signs, speed limits, stop lights, etc., if you follow an ambulance to the hospital.

Fever and Exclusion Guidelines

Beechwood Schools

Fever is a physiological response to inflammation or infection, illness or injury, or the result of heat exposure. While not always cause for alarm, it is sometimes the sign of an illness or serious problem. Left untreated, fever could be uncomfortable, cause dehydration and stress the cardio-vascular system. A student will be sent home and/or referred for consultation if he/she has a fever of 100.4 degrees Fahrenheit or greater.

Exclusion Guidelines: Students should be free of fever, vomiting, and diarrhea for 24 hours before returning to school.

ATTENDANCE

TYPES OF EXCUSES

If a student is absent from school, a parent must call the High School Office AND send a note/email. Without this notification, Kentucky law requires that the school contact parents to inform them of the student's absence.

The following conditions may excuse a student from school attendance:

1. Personal illness or injury (a medical verification note may be required by the school principal)
2. Family illness - an emergency situation requiring the student to be absent from school
3. Quarantine of the home by local health officials
4. Death of a relative (limited to 2 days unless reasonable cause can be shown for a longer absence)
5. Observance of a religious holiday consistent with student's established creed or belief

*****Virtual learning/working from home is not an option for this school year.**

STEPS TO FOLLOW WHEN ABSENT

A parent or guardian must inform the high school office of the student's absence prior to the start of the school day – PHONE (859-331-1220) or EMAIL (hs.absent@beechwood.kyschools.us).

1. Student's name
2. Date
3. Date of absence(s)
4. Reason for absence

Email Absences/Tardies: hs.absent@beechwood.kyschools.us

Upon return to school the student must provide written documentation of their absence from a parent/guardian or doctor. The initial EMAIL is sufficient unless it is a doctor note. Attendance will be documented in Infinite Campus.

NO EXCUSED ABSENCES DURING STATE OR LOCAL TESTING

Absences cannot be excused during local or state testing windows because: 1) the state doesn't allow any changes to the state testing window and 2) local exams are 2 hours.

MAXIMUM 7 EXCUSED NOTES FROM PARENTS/GUARDIANS

Students are allowed 7 EXCUSED total absence notes PER YEAR from a parent.

Tardy Parent Notes: 4 excused periods = 1 full day parent note Excused
Full Day Parent Notes: 1 full excused day = 1 full day parent note Excused
Leaving Early Notes: 4 excused periods = 1 full parent note Excused

The 8th and any subsequent EVENTS (partial day, half day, or whole day) during the same school year shall be considered unexcused, unless the school receives a doctor's note within 48 hours of the absence.

SENIOR ATTENDANCE

- Any student with more than 3 unexcused events will lose senior week privileges as follows:
 - 4 Unexcused absences = student will miss 1 Senior week activity
 - 5 Unexcused absences = student will miss 2 Senior week activities
 - 6 Unexcused absences = student will miss 3 Senior week activities
 - 6+ Unexcused absences = student will have to go through the truancy process and be subject to review for participation in the graduation ceremony.
- As a reminder – some students are tardy or miss partial days, so please consider the following:
 - 4 tardies to school = 1 full absence (Student/Parent Handbook)
 - 4 periods = 1 full absence (Student/Parent Handbook)
- Senior week is a required attendance week. If a student is not allowed to participate in a Senior Week activity, then he/she will still need to be in attendance at graduation practice and then remain in the library until 3:00 pm.

TRUANCY – STATE REGULATION

In accordance with state attendance laws, any student who has an unexcused absence from school three (3) or more days, or tardy (3) or more days, is truant. A student who has been reported as a truant two (2) or more times, six (6) days or six (6) tardies, is a habitual truant and truancy charges may be filed against the student.

OUT OF TOWN - PRE-ARRANGED ABSENCE

A parent or guardian should notify the school in advance (**5 school days**) when it becomes necessary for a pupil to accompany the parent(s) or guardian on out-of-town trips, educational-related trips, college visits, business trips, etc. This will allow the pupil to secure assignments in advance that may be handed in upon returning to school. Students must be prepared to take missed quizzes, tests, etc. on the day the student returns to school. **Obtain a “Pre-arranged Absence” request form** from the high school office and have it completely filled out and submitted one (1) week prior to the requested date of absence. Failure to do so will result in an unexcused absence and meeting with a principal. Pre-arranged absences are not permitted during state testing or during high school exams.

ILLNESS WHILE AT SCHOOL

If a student becomes ill during school, the student is to ask the teacher for a pass to the school nurse’s office. If it becomes necessary for the student to be sent home, the school nurse will contact a parent or guardian listed on the emergency card and request the student be picked up from school. The student will not be released from school until the student is signed out by a parent.

Students are not permitted to call parents or text parents about requesting to go home sick. The school nurse will determine if there is a need for the student to go home. The student and nurse may call home from the nurse’s office.

Being ill in the restroom for any extended period of time will not be accepted as an excuse to miss class.

LONG-TERM ILLNESS

Parents/guardians of students who have disabilities or chronic health conditions – i.e., asthma, allergies, - shall notify the school principal and District Health Coordinator in writing of any condition that may necessitate their child to have frequent or seasonal absences from school. Parents/guardians must provide a doctor’s statement annually in order for these students to receive special consideration.

COLLEGE VISITS

Students wishing to visit a college must do the following:

1. Fill out an **Educational Enhancement Form** and submit to the office at least one week (5 school days) prior to the visit. A high school administrator must approve the forms.
2. To be excused, a student must bring back documentation from an institution official.
3. A total of 4 visits can be approved. **One** visit during junior year and **three** visits during senior year, unless otherwise pre-approved by the principals.

MAKE-UP WORK

For UNEXCUSED absences

- Teachers are to record half credit for any homework, assignment, or assessment that is **collected** upon the student's return.
- Students that are suspended from school are considered unexcused.

For EXCUSED absences

1. Student learns about an assignment/homework/assessment **DUE DATE** from one of two ways:
 - a. From the teacher while in class.
 - b. If the student missed class, it is the student's responsibility to get any missed assignment from the teacher, another student, or from Infinite Campus/Google Classroom.
2. The student is required to turn in the assignment/homework/assessment in one of the following ways:
For work assigned PRIOR to an absence:
 - a. During class if the student is in class on the Due Date unless the teacher extends the timeline.
 - b. By 4:00 pm on the Due Date if the student misses class, but checks in late on the Due Date, unless the teacher extends the timeline.
 - c. On the day the student returns to school if the student is absent the full day on the Due Date.
 - d. Failure to turn in the assignment/homework/assessment as required will result in the assignment/homework/assessment being reduced by one letter grade per day not to exceed F (59).

For work assigned DURING an excused absence:

- a. Students have the number of days missed, plus one additional day to make up all work, unless the teacher extends the timeline.

TARDY - CLASS

A student that is not in the classroom by the tardy bell is considered tardy to class. The student will then report to the HS Office for a tardy note, which will result in detention as outlined in the Code of Conduct.

TARDY - SCHOOL

A student is considered tardy to school if the student is not in first period by 8:00 a.m.

The student is to report to the high school office for an admission slip.

Car trouble and sleeping late are the top two reasons parents and students give for being late to school. If a student "oversleeps" or is late to school due to "car trouble" the student will be given an unexcused tardy. A principal may excuse car trouble on a case-by-case basis depending upon significant circumstances such as an accident. THIS TYPE OF EXCUSE WILL REQUIRE A PARENT NOTE.

Weather and traffic related tardies are excused ONLY if a school or district administrator determines driving conditions represent a safety hazard for ALL drivers.

SON/DAUGHTER TO WORK DAY

Absences are granted for students to participate in the nationally recognized “Take Your Son/Daughter to Work Day”. However, in order for the absence to be excused, the following guidelines must be met:

- (1) Requests for participation in this program must be written on company letterhead and received by the high school at least one week prior to the activity.
- (2) Absences from school for participation in the “Take Your Son/Daughter to Work Day” must occur outside the State mandated testing time.

EDUCATIONAL ENHANCEMENT OPPORTUNITIES

Students shall be granted an excused absence for up to ten (10) school days to pursue an educational enhancement opportunity determined by the principal to be of significant educational value. This opportunity may include, but not be limited to, participation in an educational foreign exchange program or an intensive instructional, experiential, or performance program in one (1) of the core curriculum subjects of English, science, mathematics, social studies, foreign language, and the arts.

Parents wishing to apply for an Educational Enhancement Opportunity Leave must:

- 1) Complete a pre-arranged absence request 1 week **(5 school days) in advance**.
- 2) Complete an EHO form.

WITHDRAWAL

In the event a family is moving out of the school district or a student is transferring out of the district necessitating the withdrawal of a student from Beechwood High School, a parent should notify the school office as soon as possible. Kentucky requires the receiving school district to request educational records from the sending school (Beechwood) in order to officially complete the withdrawal procedure.

If a student has been issued any textbooks or if he/she has library books checked out, he/she is expected to return those books to each teacher as well as pay all outstanding fees and lunch charges prior to withdrawing. The student’s Chromebook and charger must also be turned into the office prior to withdrawing.

LEAVING SCHOOL or CLASS DURING THE DAY

Any student leaving class without permission or leaving the building without properly being checked out may result in the appropriate disciplinary action being taken.

For safety reasons,

- If a student wishes to leave class to go to the high school office, the student **MUST** have permission from the teacher or the student must wait for the end-of-class bell.
 - Students are required to have a written note from a parent / guardian before the student is allowed to leave school.
 - In addition to a written note, a secretary will communicate with a parent / guardian by phone to confirm a student’s request to leave school.
 - A parent may send in a note with the student, fax a note (859-426-3744), or email a note to a high school secretary (refer to the “contact us” web page).
 - A parent must call a secretary before emailing or faxing a note to ensure a secretary is available to receive the note.
- (1) **If a student drives to school,**
- A parent or guardian is to provide a written note as described above to the high school office indicating the reason, date, and the time of day the student must leave early.
 - In order to afford maximum protection to a student driver, a secretary will call a guardian listed on the student’s emergency card to confirm the authenticity of the note.
 - Students are not permitted to sign out of school to go home for homework, books, medicine, etc. without parent and administrator permission.

(2) If a student walks to school,

- A parent or guardian is to send a note to the high school office indicating the reason, date, and the time of day the student will sign out.
- A secretary will have the student waiting in the high school office for the parent / guardian to come to the school to sign the student out of school.

A parent can authorize and sign out their child to leave school, but state law requires the principals to decide whether the absence is excused or unexcused.

Students who are 18 years of age must have the HS Office contact parents/guardians prior to signing themselves out of school, but state law requires the principals to decide whether the absence is excused or unexcused.

FINANCIAL MATTERS

FEES

Consumable fees for student classroom supplies, workbooks, technology, testing, and materials used by students will be assessed each school year. Fee information will be available in Infinite Campus approximately two weeks into the school year. You can also contact the high school office to request another copy of the student's class schedule and fees.

All parents should pay their fees within the first month of school. Make checks out to Beechwood High School Fees and send the check to the high school office along with the name(s) of the student(s). Fees may also be paid online via Infinite Campus Parent Portal. You may contact the principal or Activity Fund Treasurer to set up a payment plan if necessary.

Students who qualify for free and reduced lunch will also receive free or reduced consumable and textbook rental. Please contact a high school secretary for an application form and assistance. The high school office maintains confidentiality of students needing financial assistance.

SPECIAL PAYMENT PLAN

Parents may make monthly payments to pay off school fees / textbook rental fees. If a parent requires additional time to make payments or wishes to make monthly payments, please contact the Activity Fund Treasurer at (859) 331-1220 x 6804 or the school principal.

FIELD TRIP WAIVERS

Students will not be denied the opportunity to attend Beechwood sponsored educational field trips due to inability to pay. If you require financial assistance for your child to attend a field trip, please communicate the need to a principal, counselor, or teacher. All information will be kept confidential.

STUDENT DISCIPLINE

Each administrator and teacher shall hold students under their supervision to a strict account on school premises, to and from school, and on school-sponsored trips and activities.

CODE OF CONDUCT

The Discipline Policy adopted by the SBDM Council and Board of Education, including infractions and responses, is published in the Student Code of Conduct. This manual is made available online at www.beechwood.kyschools.us under the High School Parent/Student Resources. If you cannot access the document online, please pick up a hard copy at the HS Office.

DETENTION

If a student requires disciplinary measures, he or she may be detained after school. If this is necessary, the student will notify his or her parents. Disciplinary measures that require a student to remain after school will last no longer than 4:00 p.m. for an office detention and no longer than 3:30 p.m. for a classroom detention.

Office detention will begin at 3:10 and run until 4:00. Students who are late will be considered skipping and be assigned appropriate consequences based on Code of Conduct.

SCHOOL ACTIVITIES

Students who attend school sponsored off-campus events shall be governed by the rules and regulation of the Beechwood Board of Education and are subject to the authority of school officials. This includes students traveling on foreign language summer excursions.

No student, either before, during or after any school event, both on and off school premises, shall violate the rules and regulations of the Beechwood Board of Education. A violation of these regulations constitutes cause for suspension or expulsion of the student from school.

SATURDAY SCHOOL (similar to detention) – is on designated Saturday mornings from 9:00 am – 11:00 am.

SUSPENSION

In the event that a student is suspended from school, the parent or guardian will be called and the student will be sent home. Students are not permitted to be on school property or attend school functions during a suspension. Also, students are permitted to make up missed assignments or tests that are collected/administered during a suspension for half credit.

PROCEDURES TO RESOLVE PARENT / TEACHER DISAGREEMENTS

Complaints about school personnel will be investigated fully and fairly. Anonymous complaints will be disregarded. Whenever a complaint is made directly to the Beechwood Board of Education as a whole or to a board member as an individual, it will be referred to the superintendent for study and possible solution. An employee who is the object of a complaint will be informed promptly and afforded the opportunity to present the facts as he/she sees them.

The goal of this section is:

- To establish a simple framework for addressing concerns
- To provide for prompt resolution of concerns
- To ensure that all parties will participate in a cooperative manner to resolve concerns
- To ensure that most concerns will be handled without resorting to this procedure beyond Step No. 1 below.
- To assure that the system has a procedure to receive citizens' concerns in an orderly fashion to achieve the best possible educational program for students

Step No. 1 - Direct Conversation with Teacher

If a parent or community member (complainant) has a disagreement or misunderstanding with a teacher, the complainant should address the concern to the specific teacher directly involved with the circumstances surrounding the concern. The staff member will meet with the parent as soon as reasonably practicable, within 5 school days of the initial notification (subject to change by mutual agreement).

Step No. 2 – Meeting to Include an Administrator

If the complainant or the teacher is not satisfied with the outcome of Step No. 1, or the complainant or teacher is unwilling to meet independent of an administrator, a meeting with the teacher, appropriate administrator and complainant will be arranged at a mutually convenient time, within five school days after the meeting in Step No. 1. This step is to be informal and verbal.

Step No. 3 – Formal Process – Complaint Form Initiated

No further action will be taken beyond Step No. 2 unless the complainant submits in writing a signed and dated statement of facts giving rise to this concern, the name of the teacher involved and the remedy sought. A complaint form can be obtained in the high school office to begin this formal process. Submit the complaint form to the high school principal, high school assistant principal, counselor, or Superintendent of Schools. A meeting with the teacher, appropriate administrator and complainant will be arranged at a mutually convenient time, within five school days after the meeting in Step No. 2. This step is to be formal and documented in writing. A copy of this form is included at the end of this document.

- Students and parents should contact the high school office if log-in information is needed.
- Most grades are recorded approximately 5 days after the student is assessed; however, specific assignments related to writing, projects, etc. take longer for students to complete, teachers to grade and post to the web.
- Parents should continuously speak with their children pertaining to assignments that should be in Infinite Campus that are not yet posted.
- If a teacher takes longer than a week to post grades, contact the teacher with details related to the assignment.
- If a family does not have the means to access Infinite Campus online, please contact the high school office.

Calculations – class GPA in Infinite Campus may be different than the actual GPA for the class. This may result from some teachers assigning weights to categories (i.e. 20% Homework, 40 % Projects, 20% Quiz and 20% Tests).

SEMESTER EXAMS

First semester exams occur in December just before Winter Break. Second semester exams (also called end-of-year or final exams) occur just before Summer Break. There are no excused absences during semester exams. There are no exam exemptions.

- 7th and 8th Exams – are counted as part of the 4th quarter grade and are not to exceed 20% of the 4th quarter grade.

$$\text{Sem 1} = (1^{\text{st}} + 2^{\text{nd}}) / 2$$

$$\text{Sem 2} = (3^{\text{rd}} + 4^{\text{th}}) / 2$$

$$\text{YR Grade} = (\text{Sem 1} + \text{Sem 2}) / 2$$

- High School Exams (9-12) and 8th grade classes taken for high school credit (i.e. Algebra and Foreign Language) – count 20% of the semester grade.

$$\text{Sem 1} = (1^{\text{st}} + 1^{\text{st}} + 2^{\text{nd}} + 2^{\text{nd}} + \text{Ex 1}) / 5$$

$$\text{Sem 2} = (3^{\text{rd}} + 3^{\text{rd}} + 4^{\text{th}} + 4^{\text{th}} + \text{Ex 2}) / 5$$

$$\text{YR Grade} = (\text{Sem 1} + \text{Sem 2}) / 2$$

HIGH SCHOOL ACADEMIC EXCELLENCE AWARD: To qualify for the Beechwood High School Academic Excellence Award in 9th through 12th grades, a student must have a cumulative 4.0 GPA through the third quarter of the school year in which the award is issued. The recipients in grades 9, 10, and 11 will receive a certificate. The recipients in grade 12 will receive an engraved plaque.

CREDIT RECOVERY

- If a student fails the first semester of a required course, credit recovery will occur on APEX during detention once per week during 2nd semester until the half credit is earned. The student will be assigned to day(s) each week from 3:10 - 4:00 pm. The number of days per week will be determined by the number of courses failed.
- If a student fails the second semester of a required course or fails for the year, the student will attend summer school and pay the required fee for each summer school course.
- If a student fails or does not complete summer school, the student will be placed in the required course again the following school year.

SUMMER SCHOOL

Beechwood High School utilizes an online credit recovery program for students who need to repeat a course over the summer. In order for a student to take summer school work for credit, he/she must obtain approval from a principal or counselor prior to enrolling. Students are not allowed to take summer courses “to work ahead” unless prior approval is obtained by the administration; however, this is not an option for required core classes. There is a cost per class that will be determined annually.

A student who must retake a course (either in the traditional manner or via our credit recovery program) due to receiving a failing grade will have both the failing grade and the new grade recorded on his/her transcript and factored into GPA. If a student retakes a half credit to achieve a passing grade, only the final passing grade (listed as a 60%) is posted to the transcript upon the student’s recovery of that credit.

CREDITS

Beechwood does not offer partial credit for year-long classes. Students receive credit for each class successfully completed at the end of the school year based on the end-of-year grade. GPA and class ranking are based on the end-of-year grade, which is the only grade recorded on transcripts. The exception to this is dual credit courses. Dual credit course grades post upon receipt of the final course grade from the granting institution.

ACADEMIC RECOGNITION AT COMMENCEMENT

In addition to ranking students for college admission purposes, Beechwood High School honors students based upon the following standards of achievement:

Beginning with the Class of 2022 and beyond, Beechwood High School will replace the Valedictorian system with an academic honors system as outlined below:

- Summa Cum Laude: 4.25 and above
- Magna Cum Laude: 3.8 - 4.24
- Cum Laude: 3.67 - 3.74

Students who achieve the Summa Cum Laude level can apply to speak at Graduation using the criteria below. One student will be selected. Students are not required to apply.

- GPA
- ACT
- Sample graduation speech
- Resume
- Teacher Recommendation

There will be a committee to review the applications:

- 3 Teachers
- Administrator(s)
- Counselor(s)

ASSEMBLIES

Students are to enter, take their assigned seats and leave the assembly in an orderly manner. Speakers and guests should be welcomed courteously and given the students' full attention. After the program, students remain seated until dismissed.

HALL PASSES/10-10 Rule

Students who are excused from class during a given period must receive a hall pass from that teacher. If requested, a student must surrender the hall pass to any teacher (H.S. or Elem). Many teachers have their hall passes hanging on the wall next to the door. As a student receives permission to leave the room, it is the student's responsibility to grab a hall pass from the wall before exiting the room and return the hall pass when finished. Students should ask to leave the room only in case of emergency. All other business should be taken care of before or after school or in between classes. *Students are not permitted to leave class for any reason during the first 10 minutes of each class or during the last 10 minutes of each class unless in the case of an extreme emergency (10-10 Rule).*

COUNSELORS

Professional school counselors are available to all students and parents.

NO PASS/NO DRIVE

The "No Pass/No Drive" Statute (KRS 159.051) became effective on June 25, 2007 with implementation beginning August 1, 2007. This statute involves every public and private school district across the Commonwealth.

The "No Pass/No Drive" Statute results in the denial or revocation of a student's driver's license for 1.) academic deficiency, or 2.) dropping out of school as a result of unexcused absences. Academic deficiency is defined as a student who does not have passing grades in at least four (4) courses, or the equivalent of four courses, in the preceding semester. A student is deemed to have dropped out of school when he/she has nine or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences. Should you want to review the full text of this law, please use the Legislative Research Commission's website. Students can obtain the permit form from the high school office.

SBDM meets once a month and makes policy on the following: Curriculum (updated due to SB1), Assigning Staff Time, School Schedule, School Space, Instructional Practices, Discipline and classroom management, Extra-Curricular programs, technology use, etc. SBDM does not address personnel issues nor does it focus on the day-to-day operations of the school.

Parents are also invited to serve on committees (no experience necessary). Committees which could benefit from parent input include, but are not limited to: 1. Culture/Climate, 2. Curriculum/Instruction/Assessment

SBDM meets once a month. More information can be found on the high school website.

If you have an item you wish added to an SBDM agenda, please submit your request to the principal. The principal will decide if the topic falls under SBDM responsibilities or not. If not, the principal will redirect you to an appropriate staff member. A list of SBDM members can be found on the Beechwood website.

INVITATIONS / NON-SCHOOL RELATED PUBLICATIONS

The distribution of invitations or non-school related publications, pamphlets, brochures, etc. by students at school is expressly prohibited. Invitations should be sent through the mail. The principals will approve only those posters/announcements publicizing school events. All announcements must have an advisor's signature and be approved ahead of time.

TELEPHONE

In accordance with regulations established by KETS (Kentucky Educational Technology System), all classrooms are equipped with telephones with local access. Students must receive permission from staff prior to using phones. Students needing to make phone calls may use the high school student access phone. Students are not permitted to get out of class to make calls. Calls from school phones are for contacting parents/guardians only.

CELL PHONES

Students are permitted to bring cell phones to school; however, they are to be kept **Off/Silent** during the day and stored out of sight (locker, purse, backpack). Students will be permitted to use their cell phones at lunch. Parents are asked to comply with school cell phone/texting policies and NOT text their children between the hours of 8:00-3:00. If a parent needs to send a message to a student during the school day, please contact the front office at (859) 331-1220, extension 2, and we will see that your child receives the message. Students using cell phones during the school day, even when communicating with parents, will be disciplined according to the school's code of conduct.

- The student-athlete must be at grade level of his/her graduating class to participate. Participants cannot fail and repeat a grade; they must move with their class to the next grade level. Beginning at the freshman level, high school athletes are permitted to have (8) consecutive semesters of eligibility. Two semesters shall constitute a school year.
- A student must be less than 19 years of age prior to August 1st of the current school year to participate.
- Academic Requirements: Each Monday, the student-athlete/participants grades will be reviewed by the administration. Based on the weekly grade verification, a student-athlete must not fall below a 60% cumulative average in more than 1 class. **Failure to meet this standard will result in no practice or play for the entire week.** An ineligible student-athlete cannot attend practices and cannot sit on the bench during games. The student should attend after school tutoring during the ineligibility period. If the student-athlete is still ineligible after three weeks, he/she can be removed from the team.

DANCES

Middle School dances are open for Beechwood students in grades 7-8 only unless other grade levels are invited by the sponsors in advance. Students from other schools are not permitted to attend. Students in grades 7 or 8 are not permitted to attend Winter Formal and Prom.

Homecoming Dance – Open for grades 9-12

The Homecoming King and Queen are announced at half time during the homecoming football game. Students may leave this dance early only with parental permission (parent must speak to a chaperone by phone prior to the student leaving). Once a student leaves, the student may not return. Some dances may be designated as advance ticket sales only. Students in grades 9-12 vote for the King and Queen from a list of seniors nominated by seniors. Only Beechwood students may attend this dance. Students CANNOT bring dates from other schools.

Winter Formal – Open for grades 9-12 (Occurs in January or February)

The junior class selects 5 boys and 5 girls for the Winter Formal court. Grades 9-12 then vote for Queen and King. Advanced ticket sales only – no tickets are sold at the door. Dates are permitted from other schools—they must be at least freshmen in high school and not older than 19. Dates are permitted from other schools with prior approval from the administration.

Prom – Open for grades 11-12 and their date (9th and up).

The senior class selects 5 boys and 5 girls for the Prom court and then grades 11 and 12 vote for Queen and King. Students are not permitted to leave early. Parents are called if students do not show up for the dance. Advanced ticket sales only – no tickets are sold at the door. Dates are permitted from other schools with prior approval from the administration.

Students on the academic ineligibility list may attend dances, but these students are not permitted to serve on dance courts.

SAFETY

FIRE DRILL

Students should exit the building in an orderly manner, totally quiet, and report to the designated area. Each class should leave through exits assigned for that particular room. Teachers will notify all classes of drill procedures & fire drill instructions will be posted in every room. Kentucky requires schools to have 10 fire drills per school year.

SEVERE WEATHER ALERT

The tornado alarm is sounded by a continuous on/off ringing of the regular classroom bells. When the alarm is sounded everyone should seek shelter inside the main building. Students should do the following:

1. Stay away from windows, outside doors and exterior walls.
2. Stay away from the gymnasium or other rooms with long span roof trusses.
3. Use interior corridors.
4. Seek protection from flying debris, particularly glass. Example: A sitting position with legs doubled up and arms resting on knees, head between arms. Use coats or jackets to protect yourself from flying debris. Face away from glass.
5. Keep calm. Do not run outside.

LOCKDOWN

Lockdown drills will be done throughout the school year. There are two types of lockdowns:

1. Shelter in place – no active threat, students remain in the classroom, class continues as normal.
2. Active threat – students will review the options of barricade, counter, or evacuate based on the threat.
Communications will be sent home after each lockdown event.

SEARCH AND SEIZURE

All students must be aware that lockers, desks, storage places, classrooms, and other school facilities are the exclusive property of the board of education and may be searched at any time pursuant to board policy to prevent violation of the student code of conduct. These areas and the contents, therefore, are subject to a random search at any time, pursuant to board policy. Administrators are authorized to conduct reasonable inspection of school property or of students and items brought upon school grounds, including vehicles, when there is reasonable cause to believe that a student may be in possession of evidence that a law or a school rule has been violated. Any banned items that are confiscated during a search will be turned over to law enforcement.

WEAPONS

Carrying, bringing, using or possessing any firearm or deadly weapon in any school building, on school grounds, in any school vehicle or at any school-sponsored activity is prohibited. Violation of this policy by students shall require that the principal immediately make a report to the superintendent, who shall determine if charges for expulsion from the district schools should be filed in accordance with Board Policy. The penalty for students bringing a firearm or deadly weapon to school or onto the school campus/property under jurisdiction of the district shall be expulsion in accordance with Board Policy. Any student, who brings to school a firearm or deadly weapon/instrument, as defined by state or federal law, must be referred to the criminal justice or juvenile delinquency system. Suspected violations while on the school bus will result in immediate notification to the appropriate authorities and possible removal and/or suspension from the bus under KRS 158.150.

EVACUATION OF STUDENTS

In the event the school must be evacuated, the school will follow all protocols outlined in the Safety/Crisis Manual.

FERPA NOTIFICATION

Notification of FERPA Rights and Child Find for Children with Disabilities in Need of Special Education Services

Distribute this notice annually to parents and students.

The Family Educational Rights and Privacy Act (FERPA) affords parents and “eligible students” (students over 18 years of age or who are attending a postsecondary institution) certain rights with respect to the student’s education records. They are:

- 1) ***The right to inspect and review the student’s education records within forty-five (45) days of the day the District receives a request for access.***

Parents or eligible students should submit to the school principal/designee a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- 2) ***The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student’s privacy or other rights.***

Parents or eligible students may ask the District to amend a record that they believe is inaccurate, misleading or in violation of privacy or other rights. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading, or in violation of their privacy or other rights.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 3) ***The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.***

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. CHILD RECORDS & SPECIAL EDUCATION

The Beechwood Independent School District keeps educational records in a secure location in each school and Board office.

The Beechwood Independent School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parent when they are no longer needed to provide educational programs or services. The Beechwood Independent School District may destroy the educational records of a child three (3) years from date of last activity and after notification of parent(s) or legal guardian(s). Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Beechwood Independent School District may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children determined eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment qualify for Special Education services.

The Beechwood Independent School District has an ongoing "*Child Find*" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education. This includes children who are not in school; those who are in public, private, or homeschool; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education.

The Beechwood Independent School District will make sure any child enrolled in its district who qualifies for Special Education services, regardless of how severe the disability, is provided appropriate Special Education services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Beechwood Independent School District find any child who may have a disability and need Special Education services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number of the parent or guardian; the possible disability; and other information to determine if Special Education is needed.

Letters and phone calls are some of the ways the Beechwood Independent School District collects the information needed. The information the school District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education services.

If you know of a child who lives within the boundaries of the Beechwood Independent School District, who may have a disability, and may need but is not receiving Special Education services, please call 606-497-8760 or send the information to:

Lauren Steltenkamp, Director of Exceptional Student Services
Beechwood Independent Schools
54 Beechwood Road
Ft. Mitchell, KY 41017
Ph. 859-331-1220

“*Child Find*” activities will continue throughout the school year. As part of these efforts the Beechwood Independent School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education. Any information the District collects through “*Child Find*” is maintained confidentially.

Written *Policies and Procedures* have been developed which describe the District’s requirements regarding the confidentiality of personally identifiable information and “*Child Find*” activities. There are copies in the Principal’s office of each school, and in the Board of Education office. Copies of these *Policies and Procedures* may be obtained by contacting:

HARASSMENT / DISCRIMINATION

Definition

Harassment/Discrimination is behavior based on race, color, religion, sex (including sexual orientation or gender identity), genetic information, national or ethnic origin, political affiliation, age, disabling condition, or limitations related to pregnancy, childbirth, or related medical conditions that is sufficiently severe, pervasive, or objectively offensive that it adversely affects a student's education or creates a hostile or abusive educational environment.

The provisions of this policy shall not be interpreted as applying to speech otherwise protected under the state or federal constitutions where the speech does not otherwise materially or substantially disrupt the educational process, as defined by policy 09.426, or where it does not violate provisions of policy 09.422.

Prohibition

Harassment/Discrimination is prohibited at all times on school property and off school grounds during school-sponsored activities. This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

District staff shall provide for a prompt and equitable resolution of complaints concerning harassment/discrimination.

Disciplinary Action

If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Without a report being made to the Principal, Superintendent or Title IX/Equity Coordinator, the District shall not be deemed to have received a complaint of harassment/discrimination.

Employees who observe prohibited behaviors or with whom students share a complaint shall notify the Principal or their immediate supervisor, who shall immediately forward the information to the Superintendent.

The Superintendent shall provide for the following:

1. Investigation of allegations of harassment/discrimination to commence as soon as circumstances allow, but not later than three (3) school days of submission of the original written complaint. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency.

The Superintendent/designee may take interim measures to protect complainants during the investigation.

2. A process to identify and implement, within three (3) school days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy/procedures and obtain assistance in reporting and responding to alleged incidents. Students will be directed to sign an acknowledgement form verifying receipt of information concerning this policy as part of the Board-approved code of acceptable behavior and discipline.

4. Age appropriate training during the first month of school to include an explanation of prohibited behavior and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

1. Any nicknames, slurs, stories, jokes, written materials or pictures that are lewd, vulgar, or profane and relate to any of the protected categories listed in the definition of harassment/discrimination contained in this policy;
2. Unwanted touching, sexual advances, requests for sexual favors, and spreading sexual rumors;
3. Causing a student to believe that he or she must submit to unwelcome sexual conduct in order to participate in a school program or activity or that an educational decision will be based on whether or not the student submits to unwelcome sexual conduct;
4. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
5. Seeking to involve students with disabilities in antisocial, dangerous or criminal activity where the students, because of disability, are unable to comprehend fully or consent to the activity; and
6. Destroying or damaging an individual's property based on any of the protected categories.

Confidentiality

District employees involved in the investigation of complaints shall respect, as much as possible, the privacy and anonymity of both victims and persons accused of violations.

Appeal

Upon the completion of the investigation and correction of the conditions leading to the harassment/discrimination, any party may appeal in writing any part of the findings and corrective actions to the Superintendent within seven (7) days of the District's determination.

If a supervisor is an alleged party in the harassment/discrimination complaint, procedures shall also provide for addressing the complaint to a higher level of authority.

Failure by an employee, immediate supervisor, Principal, and/or Superintendent to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy, or to take corrective action shall be cause for disciplinary action.

Retaliation Prohibited

No one shall retaliate against an employee or student because s/he files a written grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

Upon the resolution of allegations, the Superintendent shall take steps to protect employees and students against retaliation.

False Complaints

Deliberately false or malicious complaints of harassment/discrimination may result in disciplinary action taken against the complainant.

2. Assault in the third degree is a Class D Felony.

For purposes of the school setting, an individual who intentionally causes physical injury to a school employee, volunteer, or other persons working on the behalf of the school, is guilty of Assault in the third degree.
