

SPECIALIZED ART SUMMER ASSIGNMENT

This is only for students who have not taken General Art. Failure to complete these assignments by the first day of class will result in being switched out of Specialized Art. If you have taken General Art at Beechwood High School - you do not need to complete these assignments!

1.) Drawing

- a.) We spend a lot of time in General Art practicing seeing objects and light as they actually are, not what our brain thinks it should look like.
- b.) Using an HB pencil (any pencil that isn't a mechanical pencil!) or graphite drawing pencils (if you have them) to complete the following assignment along with the tutorial linked [here](#).
 - i.) In the tutorial, she is working on a smaller scale, you can use any paper that you have at your home as long as it measures to be at least 8" x 10".
 - ii.) Use the reference image linked [here](#).
 - iii.) Your finished drawing should be at least 8" x 10". Don't forget to shade the background!

2.) Painting

- a.) You will need to print [this worksheet](#).
 - i.) The goal of this assignment is to get comfortable with mixing a variety of colors while only using the primary colors.
- b.) [Watch this tutorial](#) to gain a better understanding of how to go about mixing and setting up a palette.
 - i.) She uses a styrofoam plate (and you can too!) or you can use whatever is available at your home. Old magazine sheets work great!

3.) Positive and Negative Space

- a.) Watch this [tutorial](#).
- b.) Using this [reference image](#), on a piece of paper that is at least 8" x 10" complete the negative space drawing. You may choose how you would like to decorate the background. I would recommend using graphite, ink pens, colored pencils, or a combination of them!
- c.) Have fun with this!

***** If you are ever confused about anything, please do not hesitate to reach out to me via email (hannah.wolf@beechwood.kyschools.us) and I will do my best to help!*****
